Alan C. Greenberg  
Chief Executive Officer

Honorable George P. Schultz  
Secretary of State  
Main State Department Building  
2201 C Street, N.W., 7th Floor  
Washington, D.C. 20520

Dear Mr. Secretary:

It is a rare occasion when people gather together to honor a person who selflessly embodies the noble virtues and values heroically displayed by Raoul Wallenberg -- the Swedish ambassador to Hungary during World War II -- the man who saved 100,000 men, women, and children from certain death in what was to be the final chapter of Hitler's Final Solution.

On March 4, 1987 Ross Perot will receive the first Raoul Wallenberg award. This tribute to Wallenberg and salute to Ross Perot represents a unique moment when two international organizations, the Raoul Wallenberg Committee of the United States and the Shaare Zedek Hospital in Jerusalem come together to create a memorable evening of celebration and lay the foundation for developing the Raoul Wallenberg Pediatric Day Hospital in the Holy Land.

It is my honor as Dinner Chairman to invite you and your wife to join Ludwig Jesselson, Milton Petrie, Peter Wallenberg, Barbara Walters, our Mistress of Ceremonies, me, and a host of business and civic leaders as our guests of honor. Your participation with us will certainly please Mr. Perot, and serve as a memorable salute to Raoul Wallenberg.

Mr. Levi Rabinowitz, our Committee's representative in Washington will contact your office to learn of your plans and if need be, make any special arrangements you might require. Should you wish to contact Levi, you can do so at (202) 659-1990. I look forward to welcoming you on March 4, 1987 at the Waldorf Astoria in New York City.

Very truly yours,

*Alan C. Greenberg*  
Alan C. Greenberg

P. S. Please, no substitutions permitted.
